MERRY CHRISTMAS & A HAPPY NEW YEAR

Merry Christmas and a Happy New Year to everyone. For some such as retailers and the hospitality industry it is the busiest time of the year for them. For others it is the quietest time of the year and time to sit back and relax before starting to plan for the next 12 months. No matter what make sure you make time for family and friends at this festive and holiday time as you can't work 24/7 and this is an ideal time to chill out even if it is just for a couple of days.

MAKES CENTS CHRISTMAS & NEW YEAR CLOSURE

The office will close at 12 noon on Thursday 23rd December 2016 and we will re-open for normal business at 9am on Monday 16th January 2017. If you have any urgent matters that need attending to over this period please feel free to give Maurice a call on his mobile 027 5926 794.

Have a Happy Christmas and all the best for a prosperous New Year from the team at Make\$:Cents

IT'S THE TIME OF THE YEAR FOR CASH FLOW PROBLEMS

This time of year is supposed to be the festive season but for some it creates issues with cash flow. The business closes for the statutory holidays and the days in between or even longer. The staff have to be paid holiday pay, and meanwhile the rent, GST, PAYE and Provisional Tax are all due in the space of three weeks from Christmas!

If you think you may have an issue it is best to be in touch with your bank now before it happens in January and not leave it to the last minute and be sitting on a knife edge.

If you need help with your bank or putting together a cash flow forecast for them then give us a call at Make\$:Cents and we can help you get things across the line with your bank..

END OF YEAR WORK – GET IT IN BEFORE IRD SENDS YOU A “DIRTY” LETTER

It is the time of the year that Inland Revenue starts sending out their “dirty” letters for those of you who have not had your 2016 end of year work done and your tax returns filed. So for those of you who haven’t got everything together and in to us yet, then a rainy day over the holidays maybe just the time to sort it all out ready to get it to us when we open in January.

If you are unsure what is needed, need another checklist sent to you or just want someone to put it all together for you then contact us and Laretta or Shelley will be more than happy to help you. The annual checklists can be downloaded on our website also.
