## MAURICE IS GOING SPRING TO AUTUMN!

Spring is here and although it doesn't feel like it as I sit at Wellington Airport waiting for a delayed flight thanks to weather issues. Mind you it gives me more time to catch up on work and do this newsletter while I am waiting.

I (Maurice) am heading off to Europe on holiday for a few weeks for a tour of Scandinavia and a golf tour of Ireland. So hopefully while Europe is now heading into Autumn, I will catch the end of the heatwave. I will have access to emails while away and will be in touch with the team by video

call. Lauretta will be managing my emails while I am away and allocating them to the appropriate team member including myself, but please be patient for me to return any emails due to the time difference. Like our Facebook page Makes Cents Accounting to get all the latest news on Makes Cents, tax and accounting issues and you may even get a glimpse of things on the other side of the world.

## NALYNEE TUHI – OUR SENIOR ACCOUNTANT

Nalynee (pronounced Na Lean) has started and is getting into the swing of things very quickly. Nalynee is a fully qualified Chartered Accountant and comes to us with a background with the Defence Force finance team and prior to that in the health sector. Nalynee came to Makes Cents because she wants to work hands on with business people, particularly small businesses, so she can hopefully help you take your business to the next level. Call in and catch up with her any day as she works full time.

## THE TEAM
